

Dear Parents,

SKOLE is a clothing line of the parent company CC JR SPORT CONFECCIONES CABRERA LLC, an Ecuadorian family-owned business founded in 1983, producing many different types of textile products.

It is a true honor for our company to provide school uniforms for Fundación Colegio Americano and to be able to offer the corresponding sales and after-sales service.

All of the raw materials used in the production of the uniforms have been carefully selected. For this reason, we ask that you please follow the instructions for washing these garments to guarantee they remain in perfect condition during the entire year.

All our uniforms have a year-long warranty. During this year, if a parent encounters any issue with the garment, such as the need to change a zipper or any other repairs the garment may require, we offer an immediate response at our production facilities. The warranty does not cover damages caused by normal wear of the garment.

The uniforms may be purchased at:
